Basic information

Charlie

Age

30-35

Location

Cardiff

Occupation

Expenses team

Bio

Part of a small team responsible for processing and checking expense claims. Work load of the team is always greater than capacity. A lot of repetitive processes consume a large amount of time and cause frustration. Added pressure to ensure claims are appropriate and correct otherwise organisation funds could be lost.

Goals

User goals

Check expense claims are correct

Process claims quickly

Reduce simple repetitive tasks

Identify errors easily

Free up time for other work

Wants and needs

User wants and needs
